

Mission Guinea Support Update

August 2021

On behalf of our brethren in Guinea and Liberia who are supported through Mission Guinea, we extend our thanks for your continued support of the work. If at any time, you have any questions or feedback about this work, please contact us via our email - guineamission@gmail.com.

If you think others may have a desire to support this work, please forward them this report and direct them to our page on the Gipps Street Church of Christ website (www.gippschurch.com) for additional information.

The Mission Guinea working group last met on the 16th of July 2021. The following is a report of major happenings and an update of support. We have included the latest statement of income and expenditure and at the end of the report you will find a number of reports that have been sent through to us by our brethren in Guinea and Liberia. If you have the time, have a read through these reports to get a more full understanding of the church, their activities, achievements and challenges. A recent update on the work has also been uploaded to the Gipps Street Church of Christ YouTube channel, so check that out too.

Covid-19 pandemic

The current Covid-19 pandemic has resulted in disruption to regular gatherings of the Church in Guinea and Liberia. As restrictions are lifting, there has been a noted reduction in attendance of public gatherings. While there is a fear surrounding resumption of gatherings, the brethren seek to return to normal worship.

Soap project

The soap project has been a successful effort by the ladies in Laine to make and sell soap for the provision of children's school materials and food and medicine. The ladies in Kouankan are also starting to make and sell soap for the same purpose. However, due to the current Covid-19 pandemic, soap making has been put on hold in Laine. This is largely due to restrictions in travel and the need to use resources set aside for soap making to buy daily provisions. Mission Guinea is aiming to assist the ladies in Laine to restart the soap making project by providing support to purchase the materials needed.

Pig project

The pig project was established so the church in Guinea could have a source of income to support the brethren. Starting in Samoe, the project has now expanded to BelleVue and the church in Laine is currently in the process of building a pig pen to house pigs. Mission Guinea is working toward providing support to help with this construction.

Places of worship

We take for granted that we have a secure place to gather together for worship. For many of our brethren in Guinea and Liberia, having a place of worship is an ongoing challenge. Our brethren in BelleVue and Voinjama are currently finishing off the construction of their worship halls. Our brethren in Sokoura have a place of worship but are seeking to construct a perimeter fence for security. Our brethren in Laine and Kouankan have ongoing challenges with repairs to their worship halls. Please keep this in your prayers. What peace of mind it is to have somewhere to gather together to worship.

Keep in your prayers

- Strength for our brethren who are struggling during the Covid pandemic. As is the case in many parts of the world, there have been restrictions placed on our brethren in Guinea and Liberia including travel and gathering together for worship.
- The soap projects in both camp Laine and Kouankan. Both projects have been postponed or delayed due to Covid. There is a strong desire to start these projects as they have been a good source of income to help brethren in these refugee camps.

Specific prayer request that have come from our brethren in Guinea include:

- Sokoura – spiritual growth of the church
- Sokoura – radio program as an outreach tool
- Bellevue – faithfulness and attendance of the brethren, especially new converts.
- Bellevue – the planned bible camp was postponed due to travel restrictions until August. Pray that the camp can go ahead and will be a success.
- Samoe – strength for the weak, especially during the pandemic.

Baptisms, please keep in your prayers:

- Sokoura – 5 (4 sisters and 1 brother)
- Bellevue – 2 (Elvis and Goba)
- Kissidougou – 1
- Voinjama – 3 (Catherine Tennie, Nancy Saah, Henry Ballah Manjoe)
- Gueckedou - 9

Support Update

Please refer to the attached statement of Income and Expenditure (Page 4) for detail on Mission Guinea support.

To date, a total of \$122,412.50 has been provided in support. This is an amazing effort and is helping our brethren greatly.

For the bible school construction, we are now working toward our third phase support target of \$15,000 AUD. This third phase of support is to go toward construction of the second floor of the bible training college. So far, \$4,855.89 of support has been provided toward this goal.

Dear brothers in Christ,

May the grace and peace of God be with you in the name of Jesus Christ our Lord and Savior, Amen!

We come through this report to thank you for what you do for us to encourage us in the work of our Lord Jesus Christ. May God give you a hundredfold and grant you all kinds of physical spiritual blessings. Your support reached us at the end of the quarter both the American and Australian side.

We take this opportunity to inform the Guinea Mission (Australia) that we have received support for the quarter, we will use part of the support of the church in the preachers and guest host construction activities of the preacher building or the strange as well in the project of children's pigsty in Samoé. For the this project, brother samuel will send you the detailed report. So we sincerely thank you and God bless you.

You will see variation in numbers by worship. The decrease in the number is due to the move of some people for reasons of study and other economic causes as well as the fall of the weak. Therefore, we ask you to pray for us for the spiritual growth of the church which we are making efforts to maintain stability in the faith of converts and encourage the visitors to make the right decision for Christ and their souls. . We have home visits to encourage one another in the Lord and we intend to meet this challenge by the grace of the Lord Jesus Christ..

Regarding the situation of the radio gospel-preaching in the forest region, we thank God and the American brethren who are sponsoring this programme. At the moment there are no major issues that could

prevent us from taking God's message to the greater dimension. We are teaching (family life) and our listeners pay a lot of attention to this study through questions they ask us every time the programme is on. So do not forget to accompany us in prayer because through this program we could establish new congregations.

Physical Activities: As we told you, we have finished the ceiling of the Preacher and guests' host building and soon we will start plastering and fixing the doors. We use this opportunity to tell Brother Ken that we have understood the message regarding the work of this building, we thank you and we are aware of what you are doing for us to advance the work of God. We pray to God that He will spare us and end this deadly Covid-19 disease.

Finally, dear brothers in christ, thank you once again for your support of the work in the Lord. We will always continue to pray for you and for the Lord's Church for spiritual prosperity, peace, love, and the joy of keeping the faith until the last day.

Be blessed in the mighty name of our Lord and Savior Jesus.

Your brothers in christ in sokoura.

2021 QUARTER 1

Dear brethren,

Please receive our warm greeting in the wonderful name of our Lord and Savior Jesus Christ. We hope you are doing well at this moment that some part of the world is facing serious resurgence of the covid-19 pandemic by making more victims. We pray that the protection of our Lord be with us wherever we are.

Fast and prayer are regular every first Saturday of the month. Church attendance varies by worship service. Per the importance of the teaching on baptism, two souls were converted within the quarter. There was a round congregational visit that permitted preachers to visit the sisters churches and worship with them. The preachers of Bellevue visited the churches in Sokoura, Mohomou and Samoé. To strengthen the love among the saints, a fraternal meal was shared at the end of the quarter after the last worship service at the end of the three months.
 - II. **Physical activities:** in the course of the three months, few physical activities were carried out in the congregation among which the children's pigs feeding, completing the worship edifice floor and door fixing.

Thanks giving: glory to the God for his mercy to keeping us safe from the Covid-19 pandemic and the resurgence of the Ebola deadly virus in the forest region especially in N'Zerekore during at the beginning of this year. Thanks to all of the good will that provide continuous support to the work in Guinea. The Guinea Mission based in Australia that assist the church financially. We received the last support (433 000 GNF) which helped us to paid the mason that completed the floor. We thank also the Niceville Brethren for their constant support to the preacher. May God richly bless you.

- IV. Request:** thanking you for all that you do for the Lord, we ask you to accompany us in prayer for the faithfulness of our brethren and sisters, especially the new converts that we are receiving in the Lord and the spiritual and physical growth of the church in Bellevue and in Guinea as you can observe, attendance is still poor in all the assemblies.

NB: As you were informed in the last report about the organization of a Bible camp by Bellevue assembly in April, this was postponed based on the resurgence of the Ebola virus in the region and the control put in place by the government officials. Nevertheless, we still hold to that meeting and we plan to have it in the month of August.

Laine church of Christ Soap making Project report 2020-2021

Dear Brethren,

Greeting comes to you all in the name of our master Jesus Christ. We are very happy to bring you an update on the Soap making project. Due to the pandemic the soap selling was stopped, at which time the amount of 2,000,000 GNF that was kept for purchasing more items was distributed among the widows and the rest of the congregation to buy food during the lockdown in 2020. The rest of the items that were left was 12 tins of oil and 2 bags of caustic. During the covid – 19 periods there was no free movement and nothing was done in 2020. We started with the 12 tins of oil and the 2 bags of caustic in January to February 2021. We heard that there was an Ebola outbreak in our region 20 kilometers from where we live in the Camp, for this the project has been shut down. The little items that remained was 10tins of oil and one and a half bag of caustic is all we have left with. As you can in the photos the rest of the materials have been used for the production and sale. The soap project has helped in so many ways in the congregation. We are kindly appealing to you to kindly assist us to revive the project again. May the Almighty God bless you all. We know that our good Lord will greatly reward all for the work you are doing in his name.

Laine Church of Christ Children Pig Project Report March 17, 2021

Dear Brethren,

Greeting come to you in the name of our Lord and Saviour Jesus Christ our master. In the month of December, we started the construction of our Pig pen and have reached the roof level. We are appealing to you brethren to assist us in getting cement for the plastering the building and also Tarpaulin for the roofing and cement for the cashing the floor for the pigs to have a better living. The soap making project will assist in the project but due to other assistance giving to the work of the Church construction and benevolence to widows of the congregation have left the soap making budget very low. As you can see the photos of pig pen construction in progress. We thank you all for continue support for the Church. May the Almighty God richly bless you all until we meet our master Jesus.

I come very respectfully in the name of our Lord JESUS CHRIST,
you present the report of my activities of the CHURCH as follows:

INTRODUCTION:

My work program is divided into a few points which are:

DEVELOPMENT:

1. I still remain the preacher of the Church of Christ in Solondonin, thanks to GOD and your prayers.
2. But we had a problem the roof of the prayer building had been blown off; its has made us huge expenses:
 - a. Sheet metal: 32 X 42000 = 1344000
 - b. Points kg: 6 X 25000 = 150,000
 - c. Chevrons: 14 x 24000 = 336000
 - d. lats: 10 x 18,000 = 180,000
 - e. Rubber = 10,000
 - f. Tie wire roll: 3 x 15000 = 45000

TOTAL = 2065000 fg

3. We still have a total of (35) assemblies in GUECKEDOU P District, but the survey continues for church planting. And students continue their Bible training at the training center.
4. I continue to visit the brothers in the Sub / Dstrict and Village: in Nongoa Pombo Brother and month have restored a former preacher Saa Malté MILLIMOULO who had left in the Denomination.
5. We ask you to pray for us so that we start the biblical camps again together with the brothers from N'Nzérékoré who were prevented by the COVID-19 disease. We had the program to go and camp in N'Nzérékoré, but disease prevented us.
6. We continue to look for new students for the 3rd Promotions (2022-2024); there are already (14) people that we have started to prepare on the ground.

DIFFICULTIES:

In GUINEA there is an increase in the prices of basic necessities.

CONCLUSION:

Help always in the prayer for GUINEA in the end the Church of CHRIST is implanted in the big cities and everywhere in the Guinean territory, we thank you very sincerely in Christ our LORD and that GOD bless us.

Ref: Voinjama Church of Christ Activities update – April– June 2021

It has quite been a difficulties time, especially the COVID 19 cases reported in Voinjama and Liberia, the resignation of the assistant minister and his withdrawal of membership, the death of brother Patrick Kemoh, nevertheless there were three souls added, some level of homes evangelism and the Radio Programs, Prison Ministry, Meetings, all part of this report.

COVID 19

The Ministry Health has announced that there is an increase of COVID 19 in Liberia and have warned all citizens to remain safe and use the nose mask. We are also told that Voinjama has cases and our movement is bid restricted. A lot of people are dying but not too clear whether they are actually COVID 19 cases. We do have a lap here in Voinjama for testing. The spacemen are taking to Monrovia and results are sent in very late to the county.

Bro. Isaac T. Mustapha's Resignation and Withdrawal

The resignation of the assistant minister brought also serious step –back. He was actually doing his part of the Lord's work; especially when I am out of Voinjama. The Kingtoma Radio Program was surely assigned to him and preaching/teaching as both of us were leading the brotherhood. He resigned on May 2, 20 21 and came very late in May 9, 2021 and turn in all that he has for the church and left. Since then, we have not seemed him attend Church services.

His resignation comes in as result of a misunderstanding between he and his wife on the ground that is wife credited from one of the sisters in person of Sister Jamie without informing him. The church inquired from both of them; and his wife said she got the go ahead from him to credit the fund for the sister wedding program. So, the Church decided to pay the money and he, brother Mustapha said that we should tell sis. Jamie that she was wrong to have given the fund to his wife; the church said well, that is her sister. We cannot say she wrong. He unexpectedly resigned and withdrew his membership.

The death of bro. Patrick Kemoh

Brother Patrick died as a result of illness. He left two children a boy and a girl behind and one is out of Voinjama because of the condition here. Some extended family took her and the boy is attending but his wife stop worshipping since the death of the husband.

The Church took care of all the expenditure for his burial. His family, we learned live in Sierra Leone.

Three souls added to the Body of Christ

The Lord added three souls; Sister Catherine Tennie, Sis. Nancy Saah and bro. Henry Ballah Manjoe. They are all attending services.

Brother Manjoe was added to the Body of Christ through the radio program. He himself called and asked for my location and I immediately sent the secretary brother Peter Tennis and later followed. When we met him, He said, toady, I want to be baptized. We took him to the water and baptized him. He is regular and has some challenges; his wife is a Muslim. We visit him regularly and encourage him to treating his wife as Christian do.

Evangelism – Door to Door

Evangelism is ongoing but slow because of COVID 19. We have decided to visit homes at least one or two weeks in the month.

We have collected the names of our visitors as part of the strategies to reach out since there are restrictions on social distancing. We use the list and phone number to ask for visit and Bible study.

The Radio Programs

The radio programs are all active and ongoing. The only challenge also is, the ear phones and microphones are used by many; by His grace, we observe the rules.

We have large listeners but only few responses to the saving gospel. The Church is sitting in the midst of denominations.

Prison Ministry

The management of the Prison informed us this past Sunday that they will not allow us for now because of COVID 19. They have said they want to observe social distancing for now; and will not want any contact with the intimates.

The Superintendent of the prison said he will let us know when to continue.

We still have the two brethren in the prison; Weegie Bazzie and bro. Johnson Lafalay. Bro. Abraham Tokpa is now worshipping with the brethren at Morris' Church of Christ in Monrovia. We have encouraged him to continue to serve the Lord.

At the prison, the intimates requested that we purchase a radios for them to be able to listen to the "BACK TO THE BIBLE Radio Programs.

Worship Services

Worship services on going and the challenge is now, COVID 19. Some members are not regular because of this condition.

Motor bike

The bike is so much a gain for the Lord's work here. We are able to reach quickly to members and non members who need our services and those of our visitors who we called to visit.

Though, brother Kemoh has passed on, when he was serious, we were able to get him in the night to the hospital as quickly as possible; and many others with the bike.

Assistance

During this quarter, I received the stipend. It has really helped me to settle some of the treatments bills for my wife.

I am unable to send you our photo/photos because we have let her go to Monrovia for the mean time because of her heart problem.

We are sending few photos for your consideration and will be sending more in the future.

Ministers

Normally, our work is preaching/teaching, the radio programs messages preparation, visiting members and non members and prison ministry. We are also involved in community disputes settlements.

At present, the work load has increased. I am now training four brethren to conduct Bible classes and two is now been trained to take over Kingtoma Radion – "BACK TO THE BIBLE PROGRAM. Brothers Peter and Abraham will now start with Kingtoma Radio Program. Brothers Kpadeh and bro. Stephen, the finance person are engaged in Sunday Bible studies.

Challenges

The first challenge we faced now is the COVID 19. It serious and we need God's intervention. This brings fear in the minds of people to serve; especially so worship services. We also regret the resignation and withdrawal of Brother Isaac T. Mustapha, the assistant minister because of misunderstanding between him and his wife concerning the credit his wife took.

We also have not been able to complete the building works; floor tiles and ceiling tiles for the out sides. Though, we have some sand for such work.

For the floor tiles and ceiling tiles, we need to come up with the total estimates; and that we can gradually start to work toward it.

We are attaching some photos and will provide more in the future. We were unable to get the congregation photos. We will send that later.

Conclusion

Nevertheless, with all these challenges, we are grateful to our Lord Jesus Christ for all the prayers and His guidance upon the Church here in Voinjama. May He protect us from the COVID 19 so that people will e attending services; we be able to evangelize Voinjama and its surrounds; this is our mission.

In Christ,

Nathaniel S. Boakai

In behalf of the Voinjama Church of Christ

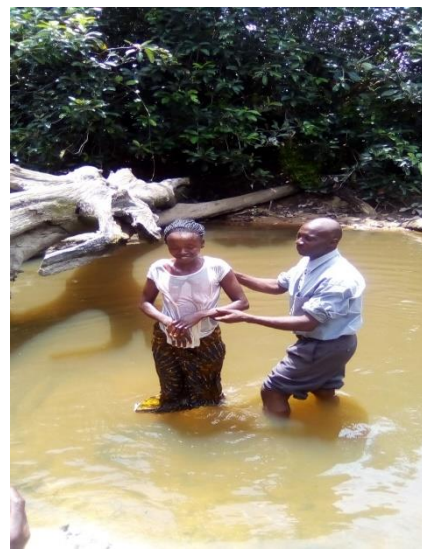

We were to get to this family and study the Bible –the bike right there

This is bro. Henry Ballah Manjoe who requested his baptism after listening to the radio program. You can see him smiles and happy.

Sister Catherine Tennie received her baptism. I am with her.

Sis. Nancy Saah received her baptism. I am with her.

We are out in the field and studying with this sister. She is attending presently. Pray, the Lord will save her.

BIBLE STUDY

As usual we group for our bible study every Thursday and we thank the almighty God through His son Jesus Christ for teaching us His word during this end time. And likewise after the Sunday service we do our rotational family bible study and this helps us a lot. Please pray for us as we are also praying for you brethren.

VISITATION

Because of the influx of sicknesses into our world that causes hardship and suffering, the love of many grows weak. And this is the time the church needs to visit the weak one's than ever before. The church does visit the sick ones, regular visitors and those who have abandoned the faith to encourage them in their various situations.

EVANGELISM/ OUTREACH

Since the first work of the church is to evangelize the people of the nation's especially the spiritually thirsty ones. The church does go out after service on Sundays after the church rotational bible study and even sometimes within the week.

IMMEDIATE NEED

To Niceville church brethren through brother Ken: As we know that the pandemic covid-19 and Ebola in Africa has caused economic disaster and hardship. As a result of this, I wrote a project concerning Agriculture training on family size gardens for churches in the forest. And to combat this economic disaster and hardship is to go back to the soil. So I am appealing to Niceville brethren to help with finance and tools to carry on this training if possible.

We appreciate your support financially, morally and morally and we are praying to Almighty God to continue to bless you.

In Christ,

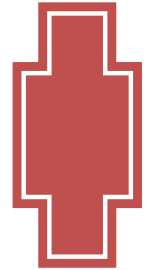

Sam Williams – On behalf of Samoe church.

HEALTH SITUATION IN THE COUNTRY/COVID19 AND EBOLA

during this year 2021 of the Covid19 epidemic we had experienced various kinds of difficulties, in particular: - The ban on worshipping in places of worship - The closure of the worship for any movement. The safety distance - Curfew - Etc ... This takeover by the government prevented us from holding worship at the usual place except in private homes.

Now we thank God the places have opened as ordered by the government. Nevertheless we give glory to God. Unfortunately his year back in N'zérékoré Region, we got the new cases of Ebola added on Covid19, that make all down again more in the country but we thank God for now for his protection upon us.
