Worship Roles and Responsibilities

General

If you are on the Sunday morning worship roster please do your very best to come into the meeting room by 9:55am. This ensures everyone's role is clarified, prayer requests are collated, and focus can be placed on the tasks ahead.

It does help the announcer if you can let him know you are present and aware of your rostered role.

If you anticipate being away, please do your very best beforehand to organise a replacement.

When speaking, ensure the microphone is on and is pointing towards your mouth, and you project your voice as best you can.

If you would like to make any changes to the roles you currently undertake please see Daniel.

Remember your role in worship is on behalf of the congregation, to the glory of God and for the building up of the collective group. The congregation is very grateful for your effort, dedication, and ability.

Prayers

If you are on the prayer of requests it is a good idea to consult with the announcer to ensure all appropriate items are included on the prayer list.

The prayer of adoration ideally focuses on giving praise and thanks to God.

Remember prayers are given on behalf of the congregation to God. Please avoid the temptation to conduct mini-sermons through prayer.

Lord Supper

Please remember the Lord Supper is not an occasion for a short sermon, but rather opportunity for a few words to concentrate minds on what we are remembering. Please do your best to focus comments on Christ and specifically his death and resurrection and the salvation He offers. Please do your best to keep this talk under five minutes.

Sermons & Lessons

Please do your best to conclude your lesson as close as possible to our advertised finishing times.

Please make yourself available near the exit for about ten minutes afterwards in order to answer any questions or facilitate any responses to the invitation.
